

2010 IMPROVE™ Workshop

Monday, October 18th—Tuesday, October 19th, 2010

**Hyatt-Regency Hotel
Greenville, South Carolina**

About the Workshop

The agenda includes:

- Advanced training on software features, functionality, and navigation
- In-depth review of patient adjustment methodologies
- Extensive training on data analysis and dissemination techniques
- Discussion of appropriate change management strategies
- Identification of marketing and advertising opportunities
- Optional private breakout sessions to review individual hospital data
- Networking opportunities with other clients

Plan Now to Attend

Registration information will be provided at a later date. Please reserve the dates and plan on attending the workshop this Fall. If you would like more information about the hotel, you can visit their website at <http://Greenville.hyatt.com>. We look forward to seeing you in October!

For more information please feel free to contact Anna Vukin at 1-800-711-8363 ext. 324 or avuki@thedeltagroup.com
